Introduction

Elements Quartz is an exclusive, hand-selected line imported directly to our facility. Our quartz consists of 93% quartz and a 7% polyester resin binder offering an extremely strong, durable and scratch-resistant solid countertop solution. This collection is accented with vibrant patterns mimicking natural marbles, luxurious limestones and contemporary solid colors. Elements Quartz offers a variety of elevated selections composed of unique and book-matched slabs.

Bianco Marina

Playing well with both modern and traditional environments, the Bianco Marina's cool gray veining makes a stunning statement against its ivory canvas.
